

CM Structured Products (2) Ltd

Brief Rationale

CRAF assigns CARE MAU A- (SO) Stable and CARE MAU A2+ (SO) rating to the Secured Credit-linked Notes Issued by CM Structured Products (2) Ltd (“CMSPL2”)

Ratings

Instrument	Amount (MUR Million)	Rating	Rating Action
Secured Credit Linked Notes (“CLN”)	EUR 5 million (MUR 200 million)	CARE MAU A- (SO) Stable [Single A Minus (Structured Obligation); Outlook: Stable] CARE MAU A2+ (SO) [A Two Plus (Structured Obligation)]	Assigned

Rating Rationale

The ratings are supported by the integrity of the legal structure and the structured payment mechanism designed to ensure timely payment of the interest on the rated Credit linked Notes, as per the terms of the transaction and is not a standalone rating of CM Structured Products (2) Ltd .

The ratings assigned to CMSPL2 derives strength from the operational & financial performance of the reference entity, currently City and Beach Hotels (Mauritius) Limited (rated CARE MAU A; Stable) since the debt repayment will be made out of the operational cash flow of this company.

The ratings are however constrained by ability of the Underwriter to arrange funds on the execution of Put option by the Investor on the interest reset date, regulatory risk associated with issue of Credit linked Notes and interest rate risk.

Financial performance of the reference entity, level of indebtedness of the reference entity vis-à-vis operational cash flow and ability of the Underwriter to arrange funds in a timely manner on interest reset dates are the key rating sensitivities.

The broad structure of the issued credit link notes is as under:

- Raised through a private placement
- Investors benefit from an interest income relating to the risk of the loan

CMSPL2 is raising EUR 5 million (Mur 200 million), from the issue of the CLNs, to subscribe to the Bond issue of City and Beach Hotels (Mauritius) Limited (‘CBHL’ rated CARE MAU A; Stable) owning the hotel property of La Pirogue (“CBHL” or “The Reference Entity”).

CMSPL2 will issue additional Notes up to a maximum amount of Euro 50 million and once CMSPL2 decides to issue fresh CLNs and invest the proceeds in new Reference entities, CMSPL2 will approach CRAF with a fresh undertaking for similar amount from MCB Stock Brokers and credit enhancement and CRAF will review the assigned ratings.

CMSPL2’s sponsor (MCB Capital Markets Ltd) has credit-enhanced the Notes by EUR 375,000 (7.5% of the total CLN issue). This amount shall be used as a first-loss cash-collateralised guarantee and will be either held in an account at any Bank duly authorised to carry out banking business in Mauritius by the Bank of Mauritius or any licensed deposit taking institution in Mauritius or be invested in sovereign securities with a credit rating at least equivalent to that of Mauritius at the time of the investment.

CMSPL2 shall continuously issue notes whose Interest rate can be reset on every review date and will be notified to the Note holders through the Circular Notice. The interest rate for the first spread period is 2.25% p.a. A Review Date shall always fall on an Interest Payment Date with the first Review Date falling no later than January 13, 2021. Any amendment to a Review Date shall be specified in the Circular Notice issued prior to such Review Date.

Bond issue by City and Beach Hotels (Mauritius) Limited [EUR 5 Million due for redemption on January 2030] is for a period of 10 years. CBHL will be paying semi-annual interest to CMSPL2, while CMSPL2 will be paying quarterly interest to its note-holders.

The rating is dependent on the financial performance of CBHL, since the debt repayment will be made out of the operational cash flow of CBHL. This apart the Note holder shall have the right, upon receipt of the Circular Notice, to request and compel the Issuer to redeem, purchase or arrange for the purchase of, the whole or part of its Notes (“Put Option”) on the Review Date.

MCB Stock Brokers Ltd. has provided a Shortfall undertaking for EUR 5 Million for 10 years to CMSPL 2. As per the undertaking in the event of the exercise of the Put Option by a note holder (Existing Investor) in accordance with the terms of the PPM, the underwriter shall purchase, and/or cause for the purchase of, all notes in respect of which a Put Option has been exercised. The underwriter shall pay the Put Proceeds to each Existing Investor on the Transfer date.

Accordingly, CRAF has also analysed the ability of MCB Stock Brokers Ltd. and MCB Capital Markets Ltd., to arrange for EUR 5 million (Mur 200 million) of debt on the Interest Reset Dates.

MCB Stockbrokers Ltd. are 100% subsidiary of MCB Capital markets and step down subsidiary of MCB Group Limited. The company was established in 1989 and is a founding member of the Stock Exchange of Mauritius (SEM). Licensed and regulated by the Financial Services Commission (FSC) of Mauritius, MCB Stockbrokers Ltd is one of the leading stock-broking companies of Mauritius, offering a range of services to local, foreign, retail as well as institutional clients.
