**Rating Rationale**

The rating assigned to the Secured Credit-linked Notes of CM Structured Products (2) Ltd (“CMSPL2”) continues under Credit Watch with Negative Implications since the credit rating of the reference entity City and Beach Hotels (Mauritius) Limited (“CBHL”) –CARE MAU A-; continues under Credit Watch with Negative Implications, due to the suspension of operations of the resort on March 26, 2020 following the closure of the airport. CRAF, based on discussion with CBHL management, understands that CBHL has adequate liquidity to meet its scheduled debt servicing obligations (interest payment on Bonds) and other fixed expenses for the short-term period.

The rating assigned to the Secured Credit-linked Notes of CMSPL2 is dependent on the financial performance of the reference entity, CBHL, since the debt repayment will be made from the operational cashflow of CBHL.

CRAF has also considered that CBHL has commenced its operations from July 2020 for hosting of specific events, group, and functions business. Post de-confinement, revenue posted by CBHL (after considering the Government Wage Support Scheme for the industry) monthly are not sufficient to meet the total operational-fixed expenses of the hotel and thus the company is utilising its reserve funds for meeting its operational-fixed cost. Given the current uncertainty surrounding the full lifting of air travel restrictions in Mauritius and tourist arrivals from Europe post resumption of air traffic, CRAF is not in position to assess the actual date of normal resumption of operations of the hotels in Mauritius. However, with the partial opening of the borders as from 1 October 2020, La Pirogue is operational for locals, including tourists that have done their 14-day quarantine. Hence, CRAF will keep monitoring the situation and will review the ratings by May 2021.

The ratings are supported by the integrity of the legal structure and the structured payment mechanism designed to ensure timely payment of the interest on the rated Credit linked Notes, as per the terms of the transaction and is not a standalone rating of CM Structured Products (2) Ltd.

The ratings are however constrained by ability of the Underwriter to arrange funds on the execution of Put option by the Investor on the interest reset date, regulatory risk associated with issue of Credit linked Notes and interest rate risk.

Financial performance of the reference entity, level of indebtedness of the reference entity vis-à-vis operational cash flow and ability of the Underwriter to arrange funds in a timely manner on interest reset dates are the key rating sensitivities.

**BACKGROUND**

CM Structured Products (2) Ltd (“CMSPL2”), a public limited company, was incorporated as a Special Purpose Vehicle (SPV) under the laws of Mauritius on June 13, 2018. It is wholly owned by MCB Capital Markets Ltd, which is a wholly-owned subsidiary of MCB Group Limited, a company listed on the Official Market of the Stock Exchange of Mauritius (SEM). The Mauritius Commercial Bank Limited (wholly owned subsidiary of MCB group) is rated CARE MAU AAA (IS) Stable.

CMSPL2 was incorporated with a capital of Mur 10,000 (1,000 Class A Shares issued at MUR 10 each), fully subscribed by MCB Capital Markets Ltd. On the date of issue of CLN, MCB Capital Markets Ltd. have infused equity of EUR 375,000 (subscribing to 375 Class B Shares at a price of EUR 1,000 each) for the purpose of credit enhancement of the CLN. The broad structure of the issued credit link notes is as under:

- Raised through a private placement
- Investors benefit from an interest income relating to the risk of the loan

CMSPL2 raised EUR 5 million (Mur 240 million), from the issue of the CLNs, to subscribe to the Bond issue of City and Beach Hotels (Mauritius) Limited (rated CARE MAU A-; under Credit Watch with negative implications) owning the hotel property of La Pirogue (“CBHL” or “The Reference Entity”). CMSPL2 will issue additional Notes up to a maximum amount of Euro 50 million and once CMSPL2 decides to issue fresh CLNs and invest the proceeds in new Reference entities, CMSPL2 will approach CRAF with a fresh undertaking for similar amount from MCB Stockbrokers and credit enhancement and CRAF will review the assigned ratings.

CMSPL2's sponsor (MCB Capital Markets Ltd) credit-enhanced the Notes by EUR 375,000 (7.5% of the total CLN issue). This amount shall be used as a first-loss cash-collateralized guarantee and is held in an account at any Bank duly authorised to carry out banking business in Mauritius by the Bank of Mauritius or any licensed deposit taking institution in Mauritius or be invested in sovereign securities with a credit rating at least equivalent to that of Mauritius at the time of the investment.

CMSPL2 shall continuously issue notes whose Interest rate can be reset on every review date and will be notified to the Note holders through the Circular Notice. The interest rate for the first spread period is 2.25% p.a. As per the circular notice dated December 23, 2020, interest rate for the next spread (i.e. from January 13, 2021 to April 13, 2021 will be 2.00% p.a.). A Review Date always fall on an Interest Payment Date with the first Review Date falling no later than January 13, 2021 and the next falling on April 13, 2021. Any amendment to a Review Date shall be specified in the Circular Notice issued prior to such Review Date.

Bond issue by City and Beach Hotels (Mauritius) Limited [EUR 5 Million due for redemption on 13 January 2030] is for a period of 10 years. CBHL will be paying semi-annual interest to CMSPL2 and CMSPL2 will be paying quarterly interest to its noteholders.

The rating is dependent on the financial performance of CBHL, since the debt repayment will made from the operational cash flow of CBHL. The Note holder shall have the right, upon receipt of the Circular Notice, to request and compel the Issuer to redeem, purchase or arrange for the purchase of, the whole or part of its Notes ("Put Option") on the Review Date.

MCB Stockbrokers Ltd. has provided a Shortfall undertaking for EUR 5 Million for 10 years to CMSPL2. As per the undertaking in the event of the exercise of the Put Option by a note holder (Existing Investor) in accordance with the terms of the PPM, the underwriter shall purchase, and/or cause for the purchase of, all notes in respect of which a Put Option has been exercised. The underwriter shall pay the Put Proceeds to each Existing Investor on the Review date.

Accordingly, CRAF has also analysed the ability of MCB Stockbrokers Ltd. and MCB Capital Markets Ltd., to arrange for EUR 5 million (Mur 240 million) of debt on the Interest Reset Dates.

**MCB Stockbrokers Ltd.** are 100% subsidiary of MCB Capital markets and step-down subsidiary of MCB Group Limited. The company was established in 1989 and is a founding member of the Stock Exchange of Mauritius (SEM). Licensed and regulated by the Financial Services Commission (FSC) of Mauritius, MCB Stockbrokers Ltd is one of the leading stock-broking companies of Mauritius, offering a range of services to local, foreign, retail as well as institutional clients. MCB Stockbrokers Ltd holds an Investment Dealer (Full-Service Dealer including Underwriting) licence from FSC and has been underwriting corporate transactions for amounts ranging from MUR 100 million to MUR 3.6 billion since 2014, with aggregate exposures not exceeding MUR 4 billion in any single financial year.

MCB Stockbrokers Ltd has provided an undertaking that it is able to leverage its access to a variety of readily available sources of finance within MCB Capital Markets Ltd and MCB Group Ltd should a significant portion of the underwriting risks materialize.

**MCB Capital Markets Ltd.** is the investment banking arm of the MCB Group, the leading financial institution in Mauritius.

**MCB Group Limited** [holding company of The Mauritius Commercial Bank Limited – rated CARE MAU AAA (IS)], as on June 30, 2020 has a diversified ownership base of around 21,000 shareholders, with foreign shareholding accounting for around 13% of the total.
